THE GOLDEN LION

The Golden Lion has been welcoming travellers to Settle since 1671 and you can still see the date proudly commemorated above our fireplace. As you look at the photos of our fabulous inn through the years that we have on display, you can see what life was like all those years ago. We were a traditional coaching inn and although we have developed and modernised, we have carefully maintained that original character. We might be older and wiser but our passion for warm hospitality and great service remains.
