All our food is prepared in a kitchen where nuts, cereals containing gluten and other food allergens are present. Our menu descriptions do not include all ingredients. If you have a food allergy or intolerance or Coeliac disease, please let us know in advance. Other options may be available - please ask in-house about your dietary requirements.

Fish dishes may contain bones. All weights are approximate uncooked. Menu subject to availability / change. Please note that due to the nature of cooking our deep fried products, we cannot guarantee they're free from cross contamination/contact with other allergens. Cereals containing gluten ingredients which are deep fried will use the same fryers in our kitchens as dishes not containing these ingredients - there may be risk of cross contamination/contact which may therefore affect those who are extremely sensitive.

If you are unsure which of our products go through the deep fryer please ask a member of staff
